The 4 Givens

Life is Cyclical
We are One
Balance
Change

Life is a series of cycles. Nature & time goes round and round.
Nature is one. The yin & yang, up & down, front & back, etc.
Nature seeks balance. Balance brings peace.
We are a dynamic state. Things not ready to change will be forced.

Letting go When we give away money-help-love, we prove that we have the power to get more, or we don't need it. The ultimate power of the universe gave us free will, proving it is the ultimate power.
